Dear Nonvikan,

Thank you for submitting your application. Upon further review, we have determined that your sample meets our quality standards and are pleased to inform you that your application has been accepted.

We will ask you to also accept an invitation to our freelancer portal where we will assign writing and editing tasks.

All payments are made through Freelancer, which is a widely-used freelancing platform that is free to join. This will also help you gain experience and positive feedback on your freelancer profile, which will help you in getting hired by other clients on the platform as well.

You may also be interested in our membership. We offer several different membership options, including a free option, that provides lots of helpful resources for our writers and editors. Please keep in mind that we have open enrollment for new members intermittently throughout the year. This opening will be available until the end of this week. We have not had many openings as of late so we do not know when we will be accepting new members again.

To get started, please go to https://iapwe.org/register.

Please feel free to reach out if you have any questions about anything.

Best regards,

Amy Wilkerson
